EXT. THE PURE WHITE SEA - YEAR 15 - DAY

A man stands on the surface of an endless ocean.

A small boat with blue sails crests the horizon.

EXT. THE BOAT - YEAR 15 - DAY

The boat drifts, sails furled.

The man, KAI, 39, sits on the edge of the boat, his back to the water. His greying beard is long, but not unkempt; his skin is leather.

Across from him sits AUGUST, not a day over 17. She wears her hair short, militarily practical. The sea hasn't ruined her skin yet, but she's got the tanned sunburn of a sailor.

Neither of them look happy.

AUGUST

It could be anyone.

KAI

It could be her.

August is cautious. Probing.

AUGUST

I thought you said she was dead.

KAI

I thought she was.

Beat.

KAI (CONT'D)

Damn it.

EXT. VARANGIAN TEMPLE OVERLOOK - YEAR 15 - NIGHT

Kai, August, and ERLING sit near the edge of the cliff, with a small fire for light.

Erling is an old salt, but with the weathering his skin has seen, it's hard to tell if he's 50 or 80. He wears his long white beard in an intricate braid.

KAI

Who brought the news?

ERLING

Traders, soldiers, mercenaries...
It's been trickling in for months.
We only just put it all together.

KAI

What do you think?

ERLING

I think if it's not her, whoever it
is has had training. This is no
local crazy.

KAI

Have we sent word to Bekter?

ERLING

It's too dangerous, Kai. Too few of
us to go too far away, for what?
Bekter can read the signs as well
as we can. Probably better.

Kai gets up, paces.

ERLING (CONT'D)

The man's as good a leader as he is
a fighter. He can handle himself.

Kai stops. Looks at Erling.

KAI

Forget a messenger. You don't
intend to send anyone.

Erling sighs.

ERLING

At our peak, Kai, I don't know if
we would've sent someone that far
from the sea. We didn't send you,
if you'll recall.

AUGUST

But we could still go, right? Even
if you don't send us?

Erling stumbles over his tongue.

ERLING

I... you... that would be unwise,
to be certain.

Kai shakes his head.

KAI
I don't think I could.

Beat.

Kai walks to the temple.

Erling glares at August. She ignores him, follows Kai.

INT. KAI AND AUGUST'S ROOM - NIGHT

A lonely candle lights the spartan room. Kai lies on his back on a thin mattress on the floor; August sits on a matching one across the room.

AUGUST
You don't talk much about her.

Beat.

AUGUST (CONT'D)
She was a witch before, right? You
and Erling hunted her?

Beat. Kai grunts.

AUGUST (CONT'D)
So it makes sense that she'd Ascend
again.

KAI
She didn't Ascend.

August gives him a pitying look.

KAI (CONT'D)
The first time. She didn't Ascend.

AUGUST
Oh. But Erling said-

KAI
I love Erling like a father. But
you listen to him too much.

August scowls.

AUGUST
Then give me something else to
listen to! If not for him, I
wouldn't have even known she
existed!

Kai rolls over to look at August. She's not wrong, and he knows it.

KAI
Nike was...

He rolls back, looks at the ceiling again.

Shadows, images of a girl with olive skin and dark black curls. She's screaming, laughing, fighting. We only get one good look at her - this is NIKE, 21, as Kai remembers her.

The images fade. Kai is overwhelmed, and August sees it.

KAI (CONT'D)
(quiet)
What have I done?

August pretends she didn't hear.

EXT. MOUNTAIN PATH - YEAR 7 - DAY

Kai, eight years and a century younger, rides through a small valley. His beard is half the length it will be, and still has all its color.

Nike rides next to him. She looks exactly like he remembered her.

NIKE
Are we almost through the
mountains?

KAI
Nike, it's been over a decade since
I've ridden this path.

NIKE
I doubt it's changed much since
then.

Kai laughs.

KAI
I'll be surprised if we're not
through by the end of tomorrow.

Nike groans.

KAI (CONT'D)
It's not too late for you to turn
around, you know.

Nike groans some more. Kai laughs.

KAI (CONT'D)
Once we're through the mountains,
it should only be a month or so
before we've reached Bekter's
territory.

Nike's eyes bug out of her head. Kai laughs.

KAI (CONT'D)
But don't worry. Once we've reached
his territory, it won't take us
more than a couple weeks to find
him.

Nike doesn't make a sound, she just turns her horse around
and starts going the other way.

It takes Kai a moment to notice. When he does, he laughs.

KAI (CONT'D)
Hey! Get back here!

NIKE
You said I could still turn back!

KAI
I lied!

Nike sighs and turns back around.

LATER:

Sunset is still an hour away, but with the high walls on
either side of them, it's getting dark fast.

Nike lingers a good fifty yards behind Kai - far enough that
he rounds a corner and is completely out of her sight.

NIKE
(yelling)
Shouldn't we think about stopping
for the night?

Beat.

NIKE (CONT'D)
KAI!

Kai's voice echoes from around the corner.

KAI (O.S.)
Just a little farther!

NIKE
How much is a little?

Nike rounds the corner, revealing...

EXT. BREATHTAKING VISTA - CONTINUOUS

The entire steppe spills out into view. Rolling hills, endless meadows, and rushing rivers fade into a horizon bathed in red and gold.

Kai stands next to his horse, drinking it all in.

NIKE
(in awe)
Oh.

EXT. CANYON - YEAR -4 - DAY

Kai, here only 20, runs down the canyon faster than should be possible, leading three soldiers on horseback - one of whom is Bekter.

Kai looks back - sees the dozen men who are chasing them. Who are gaining on them.

Kai reaches a narrow portion of the canyon, spins around, and draws his sword.

The soldiers stop their horses with him.

KAI
GO! You have to warn the centurion!

The soldiers look at him, then at each other.

BEKTER
But-

KAI
Go!

The other soldiers ride away. Bekter lingers a beat, then follows.

Lightning arcs across Kai's body, and fire fills his eyes.

ELSEWHERE:

Bekter and the other soldiers ride as hard as they can.

Bekter looks back. Lightning flashes up into the sky.

He stops. The other soldiers continue on.

Bekter curses under his breath.

BACK TO:

Kai is already wounded. Blood pours from his left arm, and he stands favoring his left leg.

At his feet, though, lie six dead men, and five dead horses. Six more men stand around him, only four of them mounted.

One of the horsemen charges him; Kai throws a bolt of lightning at him, but the man ducks it.

The horseman tries to ride past Kai, but Kai rolls under the horse, cuts the saddle strap, and rips the saddle off, pulling the rider with it. He stabs the rider in the neck.

Then he's cut across the back by one of the other horsemen as he rides past and around the corner.

A scream comes from around the corner.

Kai and the enemy soldiers look back, all of them wary.

Bekter charges around the corner, sword out and bloodied. He screams a feral battle cry and charges.

EXT. VARANGIAN TEMPLE - YEAR 15 - DAY

The temple is vast, open-air, filled with statues of gods and goddess of storms and sea. If there were more than a dozen people around, it would be impressive; as it is, it just looks abandoned.

August walks with GITTE, 30.

GITTE

Kai was a private person even before... even before. He spent too much time with the Sukhe, if you ask me.

AUGUST

But you do know what happened.

Gitte shrugs.

GITTE

Stories about it. Honestly, August, I don't believe them enough to repeat them.

AUGUST
Erling said Kai killed her because
she Ascended.

Gitte cocks an eyebrow.

GITTE
Did he.

AUGUST
A lot of people blame him for that,
hey? Even though it probably didn't
happen.

Gitte nods.

Beat.

AUGUST (CONT'D)
What was she like?

GITTE
Don't you think he's better
equipped to answer that question?

August stares at her, waiting. Gitte sighs, and they continue walking.

NEARBY:

Kai and Erling stand at the overlook. Kai watches August and Gitte walk.

ERLING
Don't be an idiot, Kai. There's no
good outcome from this.

Kai turns to Erling.

KAI
You'd really have me do nothing?

Erling sighs.

KAI (CONT'D)
Even if it weren't her. If it's
not. I can't leave Bekter to face a
witch like that all alone.

ERLING
He has as much experience with
witches as any of us.

KAI
Erling, please.

Beat.

ERLING
Nobody should go with you.

Kai knows exactly which "nobody" he's referring to.

ERLING (CONT'D)
But damn it, boy, you'll need all
the help you can get. I'd be
nervous sending you back there even
without a witch.

Kai hesitates. Nods.

KAI
I'll talk to Gitte.

ERLING
She won't go. Ask Camillus. And
Erik. Lucia, perhaps.

Kai nods.

He looks at Erling, expectant.

ERLING (CONT'D)
Shit. No, don't even ask. Ten years
ago, perhaps.

Kai nods.

ERLING (CONT'D)
But do not take the girl.

KAI
She can handle it. She's ready.

Erling looks hard at Kai.

ERLING
Can you handle it? Are you ready?

Kai thinks. He looks over at August.

INT. WINE BAR - YEAR 15 - NIGHT

The bar is crowded and rowdy with drunks, gamblers, and prostitutes.

Kai slides in past a couple kissing passionately in the doorway. He surveys the area, displeased, as he makes his way deeper inside.

August slides in after him, much more entertained by her surroundings. She wanders over to a table of gamblers, but Kai grabs her shoulder and pulls her away.

He keeps a firm grip on her as he keeps looking for...

ERIK, 28, in a corner booth, drinking and laughing with a few friends. His skin is almost as red as his hair.

Kai drags August over to the booth. Erik sees them, and breaks out in another bout of laughter.

ERIK
By Jupiter's bones! You're lost,
aren't you?

KAI
(drowned out by the noise)
We need to...

ERIK
What's that, man?

KAI
(louder)
We need to talk!

Erik shoos his friends from the booth, increasingly amused at this chain of events.

ERIK
Yeah, yeah! Come on, sit! Something to drink?

KAI
No.

AUGUST
I'll have some!

Erik pours August a tall glass of wine. Kai glares, but doesn't stop him.

KAI
Could we go somewhere else?

ERIK
(as if he hadn't spoken)
So what did you want to talk about?

KAI
You were good friends with Nike.

Erik immediately deadens.

ERIK
Let's go somewhere else.

EXT. WINE BAR - YEAR 15 - NIGHT

The three of them stand out in the street, August still nursing her wine. The mood has taken a heavy shift towards dour.

ERIK
You can't honestly believe the rumors.

KAI
I can't afford not to.

ERIK
You told me she was dead. You said you watched her die.

KAI
It's been eight years, Erik. Two days ago, I would've sworn I had. Now, I don't know what I saw.

Beat. Erik paces.

ERIK
...Fuck! Why now? Why... Suppose you're right. Why wait until now to... do whatever she's doing. And why not just come home?

KAI
Those are the questions I want to find answers to.

Erik tears up. It doesn't look good on him.

ERIK
I don't think I can, Kai. If it is her. I don't think I'd be able to do it.

His words hit Kai like a brick; Kai's been trying to ignore that side of things.

KAI

We don't know that we'd need to do anything.

Erik gives Kai a look.

Beat.

ERIK

No. I won't. Even if it is her, it's a bad idea to go that far from the Sea. You were crazy to go out there to begin with.

Beat.

ERIK (CONT'D)

And it's probably not her, anyway.

He clearly doesn't believe that.

Kai nods.

KAI

I understand. August.

She holds up her wine cup. Kai nods, and walks away.

August and Erik stand awkwardly for a long beat.

Erik coughs.

AUGUST

You were friends with Nike?

ERIK

It was a long time ago.

AUGUST

What was she like?

ERIK

Stereotypical Drachman. Dark hair, really curly.

August perks up.

ERIK (CONT'D)

I didn't like her at first. Didn't trust her.

His eyes glaze over. He's somewhere else, just for a beat.

ERIK (CONT'D)
Guess I was right.

He moves to go back inside.

AUGUST
Was it Kai's fault?

Erik freezes, turns around.

ERIK
(concerned)
Who told you that?

August shrugs.

AUGUST
He blames himself.

ERIK
I'm sure he does.

Erik stares off at nothing.

INT. KAI AND AUGUST'S ROOM - YEAR 15 - NIGHT

Kai and August are both asleep.

The door opens, and candlelight wakes Kai.

It's Erik.

ERIK
I'll come with you.

The door closes.

EXT. WAR CAMP - YEAR -4 - DAY

Thousands of soldiers ready themselves for battle. The two horsemen that were with Kai and Bekter before talk to the commanding officer.

One HORSEMAN shakes his head, grim.

HORSEMAN
No. They sacrificed themselves so
that we could...

Shouts from the camp interrupt him. They look.

Kai, with a new gash across his forehead, rides Bekter's horse into camp, with Bekter lying across the horse's back.

INT. MEDICAL TENT - EVENING

Bekter lies on a small cot, his numerous wounds bandaged.

Kai, his wounds unbandaged but already looking as if they'd been healing for weeks, sits next to him.

Bekter stirs awake, and Kai gives him a waterskin before he can ask for it.

Beat.

Kai takes the waterskin from him when he's finished.

Bekter examines Kai. Rolls his eyes.

BEKTER

(in broken English)

Why am I the people who saved your life, but I am the people who is hurt?

Kai shrugs.

KAI

I'm a fast healer.

Bekter processes Kai's speech, then nods.

BEKTER

I am a fast healer, also. But I think I am not so fast as you are.

KAI

You did save my life, you know.

BEKTER

I know.

KAI

Thank you.

Bekter smirks.

BEKTER

(in Sukhe)

Not worth it.

KAI

...What?

BEKTER
(in English)
You are welcome.

EXT. FOOTHILLS - YEAR 7 - DAY

Near the base of the mountains, Kai and Nike kneel next to each other, meditating.

Nike looks troubled.

Beat.

Nike sighs.

Beat.

Nike groans.

Kai opens his eyes.

KAI
Having trouble?

Nike doesn't open her eyes.

NIKE
No.

Kai waits for a beat.

Nike opens her eyes.

NIKE (CONT'D)
I don't understand. This isn't
normal. This isn't... What's
happening?

She pauses, as if waiting for an answer, but when Kai doesn't respond, she continues.

NIKE (CONT'D)
I don't feel... it feels like
something's wrong. Not with me.
With the world. With everything. I
thought it was just stress, or
excitement, but it's getting worse.

She looks at Kai. He's nonplussed.

NIKE (CONT'D)
Did you... is the same thing
happening to you?

Kai nods.

NIKE (CONT'D)
Why? What's going on?

KAI
You know everything you need to
know to figure it out.

Nike scowls, thinks.

KAI (CONT'D)
Right now, remember your
foundation. Follow your breath.

NIKE
I've been trying to! It isn't-

KAI
Breathe in slowly. Watch the
breath, listen to it, feel it fill
your chest.

Nike sighs, but closes her eyes and takes a deep breath.

KAI (CONT'D)
You're expecting too much. One
breath at a time.

She breathes out slowly, speaks by rote: this is a mantra.

NIKE
One breath at a time.

Kai watches for a beat, then closes his eyes, too.

EXT. STEPPE - YEAR 7 - DAY

Kai and Nike ride side by side along a small stream.

NIKE
It's the mountains. They're too-

KAI
No.

Nike grunts.

NIKE
Will it stop?

KAI
No.

Nike panics a little.

NIKE

Really? This is permanent? We're just losing everything?

KAI

No.

Now she's just confused.

KAI (CONT'D)

Relax. Give yourself time to think about it. What's happening?

NIKE

I'm losing my power. We're losing our power.

KAI

What is our power?

NIKE

It's a connection to... Oh. Oh!
It's the sea. The farther away we get from the sea, the less power we have!

Kai smiles, nods.

NIKE (CONT'D)

So when we go back, everything will be normal again?

KAI

Yes.

NIKE

But the further we go...

KAI

That too.

EXT. VARANGIAN TEMPLE - YEAR 15 - DAY

Kai and August sit on the front steps of the temple.

KAI

You don't have to come.

August gives Kai a look.

KAI (CONT'D)
You're almost finished with your
training. I could declare you
finished now. You could follow your
own path.

AUGUST
If you did, I'd just come with you
as a companion rather than an
apprentice.

Kai grimaces.

Beat.

KAI
I don't want you to come.

AUGUST
What?

KAI
Don't-

AUGUST
Why not? Why not?

KAI
(yelling)
The last time I went to the steppe,
I lost my apprentice!

Beat. Kai calms down.

AUGUST
That's not gonna happen this time.

Kai still can't look at her.

EXT. EDGE OF THE CITY - YEAR 15 - MORNING

Kai, August, and Erik saddle their horses, while Erling puts
some remaining supplies in their bags.

Behind them lies a sprawling metropolis on an endless sea.

Ahead, towering mountains are painted orange by the rising
sun.

Kai looks back at the sea. Erling follows his gaze.

ERLING
You'll see it again.

Beat.

ERIK
We leaving, or what?

Kai nods. He approaches Erling. They put their hands on each other's shoulders, press their foreheads together.

KAI
My breath is yours.

ERLING
My breath is yours.

They separate.

KAI
We'll see you.

ERLING
My prayers will line your path, and all that.

AUGUST
Bye, Erling.

Erling taps his mouth, nose, and forehead; a sort of salute.

ERLING
For now, squiddie.

ERIK
Stay in one piece.

Erling nods to Erik.

Kai clicks to his horse, and leads them off towards the mountains.

EXT. TARGUID CAMP - YEAR 7 - EVENING

Kai and Nike crest a hill, and see a few gers - large white tents - scattered near a river. A dozen horses and twice as much cattle graze near the water.

In the center of the campsite, two dozen Sukhe men and women sit by a large campfire. All of them wear their hair in intricate braids, wrapped around their necks.

As soon as they notice Kai and Nike, the Sukhe rise and stare. Kai dismounts, and Nike follows his lead. They stand by their horses, unmoving, letting themselves be examined.

[The Sukhe all speak their own language, with subtitles]

SUKHE MAN
Who are you?

KAI
(in Sukhe language)
My name is Kai. This is my
apprentice Nike. We are friends of
Bekter Khan.

The Sukhe look suspicious.

SUKHE MAN
Bekter Khan has foreigner friends?

KAI
He has two.

Beat. The Sukhe deliberate.

NIKE
Is everything okay?

KAI
Everything is fine. They're just
not used to foreigners.

The Sukhe reach an agreement and invite Kai and Nike over.

He and Nike approach. Kai leads the horses to the other
horses, while Nike sits at the fire.

Immediately, all of the children and a couple of the adults
are examining her, pulling on her curly hair, feeling her
strange clothes, talking at a language she doesn't
understand.

NIKE
(anxious)
Kai. Kai!

Kai looks over, laughs.

KAI
(in Sukhe)
She doesn't speak your language.

SUKHE CHILD
Why is her hair like a sheep's?

Kai shrugs.

KAI
Maybe she's part sheep.

The Sukhe laugh. Nike doesn't understand, but laughs anyway.

NIKE
What? What are you saying?

Kai moves over to the fire. One of the Sukhe women won't stop staring at him - it's an unnerving kind of stare. Kai doesn't seem to notice.

LATER:

Nike finishes setting up their tent. Kai comes over from a conversation with one of the men.

KAI
We're about a week's journey from
Bekter.

NIKE
As long as he's still there, hey?

Kai shakes his head.

KAI
They made it sound like he's put
down stakes. He's set up something
like a capital city.

Nike is confused.

NIKE
Isn't that unusual for a Sukhe?

KAI
It's unheard of.

NIKE
Is that... is that bad?

KAI
I can't imagine how it could be.

He looks worried anyway.

FADE TO:

SAME LOCATION - YEAR 15 - EVENING

Kai sits on his horse, staring off towards what used to be a campsite. Nearby, August finishes setting up their tent while Erik gets a fire going.

She sees him staring at something.

AUGUST
See something?

He's lost in another time, doesn't respond.

AUGUST (CONT'D)
Kai?

He snaps out of it.

AUGUST (CONT'D)
Is everything okay?

KAI
Nothing.

She gives him a look, but accepts his non-answer.

ERIK
Are you starting to recognize
anything?

Kai hides a nervous look. Shakes his head.

KAI
We'll look for smoke in the
morning.

AUGUST
Shouldn't we be closer than that?

Kai looks over at where the Sukhe tents were eight years ago.

KAI
A lot can change in eight years.
Once you're finished with the tent,
you can start your meditations.

ERIK
What's the point? It's not...
there's no wind for our sails here.

KAI
Then we'll have to row.

Erik scoffs.

KAI (CONT'D)
Erik, you're setting a bad example
for my apprentice.

AUGUST
But he's right! I can barely even
follow my breath out here!

Erik realizes Kai is right. He groans.

ERIK
No, no. It'll be good practice at
least. I remember when Kai got back
from his time out here, he could
practically walk on the clouds.

August rolls her eyes, finishes tying off a knot.

EXT. THE STEPPE - YEAR 15 - DAY

Kai, August, and Erik ride side-by-side.

AUGUST
But you said Bekter had built a
city, right? They shouldn't be able
to move that.

KAI
We can't go there.

Erik and August both look at him.

ERIK
I thought that's where we were
going.

Kai shakes his head.

KAI
Bekter and I... I made Bekter a
promise. We're gonna keep him out
of this.

ERIK
Kai. We don't exactly have a lot of
friends out here. Even if we just
stop by to get the lay of the land-

KAI
No.

Erik gives August a look - "What is he saying?" She shrugs.

AUGUST
Maybe if-

KAI
No.

Kai CLICKS to his horse and speeds up a bit.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 7 - DAY

Kai and Nike ride through an odd city of gers intermingled with buildings made of stone and wood.

Sukhe in all sorts of clothes - including some foreign outfits from the Pure White Sea - wander about, most of them taking note of Kai and Nike.

Kai looks at a small temple made of stone, astonished.

NIKE
What? What is it?

KAI
It's a building.

Nike sighs.

NIKE
Of course. How could I not have noticed?

She looks up, and notices the Varangian sigil: the cloud with crossed lightning bolts.

NIKE (CONT'D)
Wait. I thought the Varangians didn't come out here?

Kai hasn't noticed the sigil.

KAI
They don't. Why...

He sees it. His face falls.

KAI (CONT'D)
Oh, no. Let's keep moving.

He spurs his horse onward.

NIKE
"Oh, no?"

But he's already moving. She catches up.

EXT. TARGUID CAPITAL SQUARE - YEAR 7 - DAY

Deeper in the city, they reach a large open area, surrounded by buildings of stone and wood, with very few gers around.

In the open area are dozens of stalls, with merchants hawking various goods - meats, fruits, milks, and butters; clothes, both local and foreign; and handicrafts and tools.

NIKE

I thought the Sukhe were nomads.

KAI

They were. Not a thing here is over eight years old. This is...

An OLD WOMAN sees Kai and her face lights up.

OLD WOMAN

It's him! He's returned!

She points and dances.

People all around start paying more attention to Kai.

Kai swears under his breath.

Nike is as confused as she is curious.

KAI

Come on.

He leads Nike further into the city.

EXT. BEKTER'S TENT - YEAR 7 - DAY

Bekter's "tent" - if it can be called that - is a massive structure made of wood, leather, and silk. In theory it could probably be disassembled and reassembled elsewhere, but it would have to be a difficult process.

It's ornately decorated with different colors, animal bones, and precious stones. It stands at least thirty feet high at its highest point, and could contain a small herd of horses.

Kai and Nike approach, gathering a small crowd of murmuring onlookers as they do.

Nike looks at the crowd.

NIKE

Kai...

KAI

It's okay.

NIKE

What's going on?

Kai sticks two fingers in his mouth, issues a DISTINCTIVE WHISTLE.

Beat.

BEKTER, 42, exits his tent, confused.

Bekter is tall, muscular, rough-skinned, and covered in scars and tattoos of animals. His left arm is wrapped with a massive burn that's been tattooed into a snake. He wears a bear pelt that's been fashioned into a thick robe.

He stares at Kai for a beat, unsure of what he's seeing.

BEKTER

(in Sukhe)

The spirits mock me.

Kai and Nike dismount.

KAI

(in Sukhe)

Nobody dares mock you.

BEKTER

Kai?

KAI

(in English)

In the flesh.

Bekter wraps Kai in a massive hug, laughing. He looks at Kai, as if he wants to say something, but instead laughs more and hugs him again.

EXT. FIELD - YEAR -4 - DAY

Bekter, still bandaged, but able to walk, finishes cinching up the stirrups on a horse. Kai stands nearby, completely healed.

KAI

No. You can't put them up that high.

BEKTER

I would put them up more high. It
is the Sukhe way.

KAI

"Higher." You'd put them up higher.

Bekter feels the word in his mouth.

BEKTER

High-er.

KAI

Exactly. But with them that high,
I'll have to either be squatting or
standing.

Bekter grunts; "That's the idea."

BEKTER

Solidan horses are not as good for
fighting. You need the Sukhe horse.

KAI

A Sukhe horse.

BEKTER

A Sukhe horse.

Bekter pats the saddle, gives Kai a look.

Kai groans as Bekter helps him mount the horse.

KAI

Why do I even need a horse? I'm
faster without one.

EXT. SOLIDAN ROAD - YEAR -4 - DAY

Kai and Bekter ride alongside each other along with the
Solidan army column. Bekter is almost healed, and Kai is
almost comfortable in his strange Sukhe saddle.

KAI

(in Sukhe)

I desire to go there in the future.

Bekter shakes his head.

BEKTER

(in Sukhe)

I want to go there someday.

KAI
Not "I desire?"

Bekter shrugs.

BEKTER
It's not wrong, it's just... not
right. A king might speak that way,
but not a soldier.

Kai nods.

KAI
Well. I want to go there someday.

BEKTER
Maybe I'll take you! After working
with foreigners like this, I'm
without a clan anyway. It'd be good
to have-

KAI
(in English)
Woah, not so fast, I can't keep up.

INT. BEKTER'S TENT - YEAR 7 - DAY

The inside of the tent is as ornately decorated as the outside, with a large firepit as the focal point.

Bekter sits with his wife, NERGUI, and their three sons, ages 3, 5, and 9. Kai and Nike sit facing them, on the opposite side of the firepit.

All of them have platters of half-eaten food in front of them, and pick at the food occasionally as they talk.

NIKE
You're lying.

Bekter bursts out into laughter. Kai's embarrassed.

KAI
It's true.

NIKE
A god?

KAI
God is too strong a word. I'm more
of a-

BEKTER
Gokhan. God-king.

KAI
I'd translate it God-noble.

BEKTER
Same-same.

Kai sighs.

NIKE
Does the Order know about this?

KAI
You don't think I'd hide something
like that?

NIKE
No, but-

KAI
It was a... mistake. On their part.
I had nothing to do with it.

BEKTER
You must understand, child...

Nike bristles a little at being called a child.

BEKTER (CONT'D)
So far from your sea, we don't have
many...

He can't think of the word. He looks to Kai.

BEKTER (CONT'D)
Samanlar?

Kai shakes his head.

KAI
We're not *samanlar*.

Bekter shrugs. Not important.

BEKTER
People like you. Varangians.

KAI
People misunderstood what I was
able to do. It wasn't healthy; it
was why I had to return to the Sea.

NIKE
You wouldn't have otherwise? You
would've abandoned the Order?

Kai laughs.

KAI
I already had.

Nike looks at Kai with a new understanding. Or perhaps, a new lack of understanding.

BEKTER
And now you're back!

He raises a bowl of milk-wine and cheers. His family responds likewise, followed by Kai, and then Nike.

EXT. CAMPSITE - YEAR 15 - NIGHT

The air is still.

A breeze drifts through the campsite.

INT. TENT - YEAR 15 - NIGHT

Kai, August, and Erik sleep in leather bedrolls.

The breeze blows through the flap of the tent, tickles Kai's beard. He stirs.

Beat.

His eyes shoot open. Next to him, Erik bolts up.

EXT. CAMPSITE - YEAR 15 - NIGHT

Kai creeps out of the tent, a slender sword in his hand; Erik exits behind him with a handaxe.

They look around. Nothing.

They look at each other.

ERIK
(quiet)
We both felt it.

NIKE (O.S.)
You did.

Kai and Erik spin around to see Nike standing behind them. Kai levels his sword at her, but Erik just gapes.

Nike looks positively regal. Her curly hair, too unruly for traditional Sukhe braids, has a unique braid of its own that wraps around her head. She wears a long, flowing robe of furs and silks. Her eyes glow.

She glances at Kai's sword.

NIKE (CONT'D)
Is that really necessary?

KAI
You tell me.

Regardless, he lowers the blade.

ERIK
Nike... all this time...

Nike looks at Erik and softens.

NIKE
It has been a while.

KAI
I have so many questions.

NIKE
I'm not here to answer them.

ERIK
But-

NIKE
It was a mistake, Kai, coming here.
This time more so than the last. Go
home now, before you make things
worse. Again.

Beat.

KAI
Okay.

She's surprised. So is Erik.

ERIK
Just like that? Kai, I don't-

KAI
If you come with us.

Nike's eyes harden.

NIKE

You have to know how I'll answer that.

KAI

Then you know I can't leave.

NIKE

No, Kai, I know you won't. You can leave, but you won't.

She sighs, turns her back to them.

ERIK

But why? Why won't you come back?

The question he's really asking: Why didn't you come back?

Nike turns to face him.

NIKE

Oh, Erik. Don't think I don't want to.

She looks over her shoulder.

NIKE (CONT'D)

But a Varangian must answer when she's called.

KAI

Then let us help you! If the work here-

She wheels on him, eyes afire, robes rippling with power.

NIKE

You have done enough damage to the steppe for a lifetime, Kai! Leave this place while your actions are still merely unforgivable!

KAI

A Varangian must answer when he's called.

Nike still burns with power, but she calms, confused.

NIKE

Who called you? There was no call.

KAI
(quiet)

There is word of a witch on the
steppe. There are still some who
know the Old Speech.

NIKE
You're lying.

She looks to Erik. He nods, tears in his eyes.

ERIK
Tell me they're wrong, Nike. Tell
me there is no witch here.

Nike boils over.

NIKE
(furious)
There is no witch here!

ERIK
That clears everything up, then.

KAI
Nike, let us help you. I don't-

Nike screams and advances on Kai, but August shoots from the
tent to get between them, blade in hand.

AUGUST
Stay back!

Nike is shocked. She looks at Kai, confused, betrayed.

NIKE
Another.

She calms, and the fire in her eyes goes out.

NIKE (CONT'D)
You brought another one out here to
die.

And like that, she's gone, disappeared into thin air.

ERIK
No! Nike! NO!

INT. KAI AND NIKE'S GER - YEAR 7 - NIGHT

Kai and Nike have been given a large, luxurious Sukhe ger, lined with silks and furs, with a small firepit in the center.

Kai paces as Nike sits by the fire.

NIKE

I'm still getting used to you being
a god.

Kai sighs.

NIKE (CONT'D)

Sorry! God-king.

She bows to him. He flicks his ear at her - a rude gesture, like flipping the bird - and she laughs.

KAI

You, of all people-

NIKE

Can appreciate the irony of the
situation? Didn't you try to kill
me for this?

Kai laughs. Nods.

NIKE (CONT'D)

But really. People don't just
accidentally start worshipping you.

KAI

It's complicated.

Beat. He shakes his head.

KAI (CONT'D)

It's not complicated. It's just
unpleasant to talk about.

He sits next to Nike at the fire.

A long beat. Nike is merciful.

NIKE

Weren't you going to talk to Bekter
about the witch?

Kai is relieved.

KAI

I was.

He gets to his feet, then stops. Looks at her. He realizes she gave him an out on purpose.

What a nice kid.

KAI (CONT'D)

Yeah.

EXT. TARGUID CAPITAL SQUARE ROOFTOP - YEAR 7 - EVENING

Bekter stands on a rooftop overlooking the square.

BEKTER

(in English)

Up here!

Kai walks up to stand next to him.

Beat.

KAI

(in Sukhe)

I wanted to talk to you about-

BEKTER

(in Sukhe)

I know why you're here.

Kai looks at him.

BEKTER (CONT'D)

I didn't think the Varangians were
listening to us anymore.

KAI

We... they aren't. I am.

Kai puts a hand on Bekter's shoulder.

KAI (CONT'D)

I always will.

Bekter shrugs Kai's hand off.

BEKTER

I hoped you wouldn't come.

Kai takes a step back.

KAI

What?

BEKTER

This isn't the same steppe you left, Kai. Look at it. You think my people would live in man-made caves like these just because I ordered it?

Kai did think that.

BEKTER (CONT'D)

The grass is dry - a small spark is all it will take to light the entire steppe ablaze with war. And you... you are no small spark.

KAI

What do you mean?

BEKTER

War, Kai. I've spent the last seven years trying to stop it, but it comes all the same.

KAI

The Varangians are neutral. We're here for the witch, nothing more.

BEKTER

Even if that were true, the witch you're hunting is not neutral. If you kill her...

Beat. Kai processes.

KAI

But Bekter, if we don't kill her-

BEKTER

I fought alongside you many years. I know the danger witches pose.

He looks Kai in the eyes.

BEKTER (CONT'D)

You are always welcome here. Ask me for half of my clan, and I will give it to you. But this thing? To kill this witch? That alone I cannot allow.

He leaves the rooftop. Kai watches him go.

EXT. CAMPSITE - YEAR 15 - SUNRISE

Kai, August and Erik sit around a fire. They've been sitting there for a long time.

ERIK
We need to see him.

KAI
That's not an option that's open to us.

ERIK
We don't have the luxury of options. Not anymore.

KAI
I made a promise-

ERIK
This threatens him, too!

Kai looks away.

AUGUST
Back at the Sea, you said you wanted to protect him. He's half the reason we're here.

Kai nods.

KAI
The best way to protect him is to keep this as far away from him as we can.

Erik stands.

ERIK
This is ridiculous.

He walks away.

Beat.

KAI
We still don't know for certain she's dangerous. Don't- I know. I know what you're gonna say, but we don't know.

AUGUST
You're right. We don't know.

Beat. August opens her mouth to speak, but thinks better of it.

EXT. CATTLE FIELDS - YEAR 7 - DAY

Nike sits on a small stool next to a yak. Nergui stands behind her, impatient.

Nike tries to milk the yak, but Nergui disapproves. She *tsks* and takes Nike's hands, then speaks quickly in Sukhe.

NIKE
I don't-

She takes a breath.

NIKE (CONT'D)
(in Sukhe)
What?

Nergui sighs.

NERGUI
(in English)
You hold here. Like this.

She demonstrates.

NERGUI (CONT'D)
Like not this.

She repeats Nike's earlier movements.

NIKE
Like this?

Nike tries again, and this time Nergui approves.

NIKE (CONT'D)
Okay. Okay.

She continues milking. Nergui starts to walk away.

NIKE (CONT'D)
Hey! Wait!

Nergui stops.

NIKE (CONT'D)
How much do I need?

Nergui cocks her head. She doesn't understand.

NIKE (CONT'D)
(in Sukhe)
How much?

Nergui smiles, gestures to the two dozen other yaks grazing nearby. Nike groans. Nergui leaves.

Kai walks by, a shoulder full of fresh animal skins. Nike doesn't look up.

NIKE (CONT'D)
Kai. Is this really necessary?

KAI
Would you rather help us over
there?

He gestures, and she looks over where he was working: two Sukhe are forearm-deep in slaughtered animals.

Nike gags. Kai keeps walking.

EXT. PILE OF LEATHERS - CONTINUOUS

Kai drops the skins on top of a pile of more skins, next to a man and a woman who are preparing the skins for drying.

When he turns around, he sees Nergui watching Nike.

KAI
(in Sukhe)
Is she doing okay?

Nergui shrugs.

Beat.

KAI (CONT'D)
I was talking with your son
earlier. Bektuge. He's a strong
boy. You should be proud.

NERGUI
I do not need you to tell me to be
proud of my children.

Awkward beat.

KAI
If I offended you, Nergui-

NERGUI
All my life my father told me
stories about the Gokhan. About
you. I offer sacrifices in your
temple every year.

KAI
I don't...

NERGUI
And now you are here. And what has
changed? Nothing.

She looks him straight in the eyes.

She walks away.

EXT. HILLTOP - YEAR 7 - NIGHT

Kai and Nike sit on a small hill with a view of Bekter's capital.

KAI
I think we're going to have to do
it without him.

NIKE
What?

KAI
He's not going to help us.

NIKE
Help us? I think he'd try to stop
us.

KAI
Exactly.

NIKE
But don't you... What if he knows
something we don't?

KAI
Maybe he does. But we know that we
know something he doesn't.

NIKE
The witch.

KAI
She's powerful, Nike. For us to
hear her all the way out here.

NIKE

But I don't understand. We can barely use a tenth of the power we have at the Sea. How can she do anything?

KAI

The steppe has a magic all its own. It's different, certainly. Harder to use. But just as dangerous.

Beat. He sighs.

KAI (CONT'D)

I'll sneak out tomorrow night. I'd like you to be with me, but it's more important for you to stay behind. They'll notice if we're both gone, but with you around it'll be easy for them to assume I'm somewhere too.

NIKE

I don't know, Kai. Can't it... I know how important this is, Kai. I know. But wouldn't it be better if we could get him to help us?

Kai groans.

KAI

Or at least not fight us? Yes.

Beat.

NIKE

Let's wait. Two weeks. We can afford two weeks.

KAI

See if we can't change his mind.

NIKE

Yeah. Or see if can't change ours.

Kai laughs. Thinks.

KAI

Two weeks. We can wait two weeks.

EXT. FIELD OF BODIES - YEAR 15 - EVENING

Dozens of dead bodies are scattered around, all of them killed by vicious burns. Lightning burns.

Erik examines one of the less-burnt bodies, as Kai surveys the field. August lingers in the distance, clearly upset.

ERIK

It was her.

KAI

It couldn't have been her.

ERIK

This isn't the same Nike we knew,
Kai. She's changed.

Beat. Kai takes it all in.

KAI

There have to be at least thirty bodies here.

ERIK

Aye.

KAI

At my peak, I could maybe have taken twelve men. What about you?

ERIK

Possibly. If I were lucky.

KAI

So she couldn't have been acting alone here.

Erik grimaces.

ERIK

You think she's training others.

KAI

Or being corrupted by someone else.

Erik gives him a look.

KAI (CONT'D)

I know it's not... I know it's unlikely. But it's possible.

Erik sighs.

ERIK
It's... possible.

EXT. FAR FROM THE BODIES - YEAR 15 - NIGHT

Kai and August sit at a fire in front of their tent, far enough away from the bodies to sleep, but still too close for comfort.

A long beat.

AUGUST
Do you think...

Beat.

KAI
Yes?

AUGUST
Do you think I could ever do that?
Kill that many men?

Kai almost chokes.

KAI
Why-why would you want to?

August looks at her feet.

AUGUST
Back at the temple, Erling and the others use "Ascension" as some children's tale to scare us into being good. "Don't abuse your powers, August! That way lies Ascension!"

She looks back towards the bodies.

AUGUST (CONT'D)
But now, here, it's... this is real. And now I'm out here struggling to regain power, but...

Kai gives her a sympathetic look.

KAI
You're not going to Ascend just because you're following your breath. Ascension doesn't work like that. It's...

He sighs, tries to figure out how to put it.

KAI (CONT'D)
It's not about power. It's about
not giving up power.

AUGUST
I don't understand.

KAI
Power corrupts. Right? The more
power I have, the more danger I'm
in of being corrupted.

AUGUST
Right.

KAI
So then I should just give up all
power, right? Not use the power of
the Sea, for starters, but that's
not the only form of power. I have
authority over you as your master.
That's a form of power. Should I
give that up?

August thinks.

AUGUST
No. But... I don't know why. Like,
you're right. It is power. But...
it's good power?

KAI
There is no good power. But there's
no bad power, either. It's all just
power, and it's all capable of
corrupting you, just like it's all
capable of being used for good.

AUGUST
So where do you draw the line? How
do you figure out what power to
keep and what to avoid?

Kai chuckles.

KAI
If you can answer that, you've
solved the question the Varangian
Order was created for.

August groans.

AUGUST

Okay, but... that's not helpful right now. How do I stop myself from murdering dozens of people like Nike?

Kai grimaces. Looks away.

Beat.

Kai stands.

KAI

I need to...

Short beat. He walks away.

Erik climbs out of the tent. Sits next to August.

Beat.

ERIK

You know we're gonna have to kill her.

AUGUST

What if she hasn't ascended?

Erik looks pained.

ERIK

Don't. Don't do that. You think I don't want to pretend?

AUGUST

If she's ascended, why didn't she kill us?

ERIK

It's not that simple.

Beat.

ERIK (CONT'D)

I don't think.

EXT. BATTLEFIELD - YEAR -4 - DAY

Kai and Bekter ride side-by-side through a chaotic battle. Kai is weaponless, but Bekter fires his bow with precision.

Half a dozen enemy cavalry ride over a hill on their flank. They fire a volley of arrows, one of which gets Bekter in the shoulder.

KAI
Bekter!

He leaps from the saddle, floating up on a burst of wind, facing the enemy.

The clouds above darken suddenly as lightning fills his eyes. Kai flashes forward, becoming the lightning, blasting one of the cavalrymen from the saddle. He reforms behind them with the soldier he hit pinned to the ground.

The enemy cavalry wheel around, scattered, as Kai draws his sword and leaps at them. He cuts them down in short order, ignoring one, who charges towards his exposed back.

An arrow pops out of the man's throat, and he falls from his saddle next to Kai.

Kai issues a DISTINCTIVE WHISLE, and his horse runs back to him. He mounts in one fluid movement and rides over to Bekter.

BEKTER
Saved you again!

KAI
I left him for you! So you didn't feel useless.

Bekter rolls his eyes.

EXT. SPARRING GROUND - YEAR 7 - DAY

Kai's fist smashes into Bekter's jaw. Bekter staggers back, but Kai presses the assault.

Bekter grabs Kai's shoulders and rolls backwards, trying to Judo-flip Kai onto his back, but Kai is supernaturally lighter than air. He flips gracefully, and lands on his feet as Bekter hurries to stand again. Kai lets him.

Bekter scowls, but it's a happy scowl. He's enjoying this.

BEKTER
(in English)
You are embarrassing me in front of my tribe.

KAI
 I'm pretty sure you're the one
 doing that.

Kai charges in, hands up and head tucked. Bekter hunches over, arms out and ready to pounce.

Nearby, in a small crowd, Nike watches next to Nergui, Bekter's wife. Nergui tsks.

NERGUI
 (in Sukhe)
 His poor nose.

Nike looks at her, confused, then looks back to the fight.

Kai charges in, trying to get inside Bekter's guard, and Bekter lets him. Kai gets in a couple shots to Bekter's chest before Bekter wraps Kai in a massive bear hug and squeezes.

Kai wheezes, clearly in pain, manages to headbutt Bekter in his nose.

Nergui winces.

Bekter is staggered, and Kai slips out of his grip, then spins around into a low kick. Bekter drops his entire body on Kai's leg, catching himself in pushup position to avoid snapping it.

The crowd cheers, especially Nergui. Nike shakes her head.

Kai cringes. Oof. They both get back to their feet - Bekter relaxed, Kai into another fighting position.

BEKTER
 I think I won.

KAI
 You think I need both legs to beat
 you?

He lifts one leg into the air.

KAI (CONT'D)
 Come on.

BEKTER
 You do not know when to quit.

KAI
 You've never let me quit before.
 What's changed now?

Bekter charges without warning, but Kai flips into the air over his head, still landing on just one leg.

Nike cheers.

BEKTER

(in Sukhe)

I wasn't khan before! I have things to do, people to take care of!

KAI

(in Sukhe)

And I don't?

BEKTER

Not out here!

Bekter charges again. Kai spins around him, but Bekter sees it coming and spins too, with a backfist aimed at Kai's head. Kai ducks it, but hits the ground hard, barely rolling back up to his one leg.

Bekter presses his advantage, punching, kicking, getting in Kai's way when he tries to evade. Kai tries to flip over him again, but Bekter leaps into an uppercut that catches Kai in the stomach, and Kai lands on his back.

BEKTER (CONT'D)

I know you don't think we're done here, but we're done.

KAI

I'm not as helpless as you think.

Bekter kicks at Kai, but Kai catches his leg and yanks him to the ground too. Kai rolls on top of Bekter and tries to pin him.

BEKTER

You're not as powerful as you think, either!

Bekter gets a hold of Kai's arms and pulls them out, forcing Kai to fall on top of him. He wraps Kai's arms behind his back in another bear hug, and squeezes.

Kai wheezes.

BEKTER (CONT'D)

I can take care of myself! I don't need your help!

Kai shakes his head.

KAI
(gasping, in English)
Everyone... has a... weak... spot!

Bekter's eyes bulge out of his head; Kai's knee is buried into his groin. Still, he doesn't let go.

Both men press their attack, both of them clearly losing their strength... until both pass out simultaneously.

The crowd quiets.

Beat.

Nergui laughs.

INT. MEDICAL TENT - YEAR -4 - NIGHT

Kai sits next to a wounded Bekter, both of them laughing.

As the laughter fades out, melancholy fades in.

Beat.

BEKTER
I can not continue doing this, Kai.
Fighting other men's wars for them.

KAI
So stop. You're not a citizen, you
have no obligation to stay.

Beat.

BEKTER
I was a khan, you know.

KAI
What? Really?

Bekter nods.

BEKTER
A small tribe in a small clan. Not
important. Not for long.

Beat.

BEKTER (CONT'D)
After I failed, I came here, to
learn.
(MORE)

BEKTER (CONT'D)
I told myself I would learn your
discipline, learn how you fight,
and bring it back to my people.
That was nine years ago.

KAI
Nine years? You were khan when you
were, what, ten years old?

BEKTER
Eleven.

Kai is flabbergasted.

KAI
But if... and you... I don't even
know where to start.

BEKTER
"Why did you stay so long?"

KAI
Why did you?

Beat.

EXT. SOLIDAN ARMY CAMP - YEAR -4 - MORNING

Bekter says goodbye to a couple other soldiers - mostly other Sukhe - as he finishes loading his horse.

He looks around. Something's missing.

Kai rides up, his horse loaded too.

KAI
About time. I was starting to think
I'd have to leave without you.

BEKTER
But... You're...

KAI
Come on, we're burning daylight.

He rides away from the camp. Bekter hops on his horse.

INT. SUKHE TEMPLE - YEAR 7 - DAY

Barely enough light makes it inside to see the rough stone walls and backless benches.

Bekter argues with a a SUKHE PRIEST. They mention Kai's name a couple times.

Nike sits nearby, listening.

Bekter, apparently satisfied, makes to leave until he notices Nike.

BEKTER
(in English)
What are you doing here? Where is Kai?

NIKE
What were you arguing about?

BEKTER
Hm? Oh. It is not important.

NIKE
I know you were talking about Kai.

Bekter sighs.

BEKTER
It is not important. We disagree on something.

NIKE
You don't want them to worship Kai.

BEKTER
...No.

NIKE
But you let them do it before.

BEKTER
He was not here before. And I never approved.

NIKE
So you don't believe it?

Bekter laughs.

BEKTER
Believe? That Kai is the Gokhan?

He laughs more.

BEKTER (CONT'D)
Kai is a great man, but that is all that he is.

NIKE
But Kai said the prophecies-

BEKTER
I don't want to speak about this.

He walks away.

EXT. MOUNTAIN PATH - YEAR -4 - DAY

Kai and Bekter ride next to each other. Bekter is still looking at Kai like he's crazy.

BEKTER
And you will simply learn how to live on the steppe.

KAI
I have a great teacher.

BEKTER
(in Sukhe)
And you'll just learn how to speak our language.

KAI
(in Sukhe)
I know already the beginning.

Bekter laughs.

BEKTER
(in English)
Your family? The Varangians?

Kai shrugs.

KAI
They'll get by.

Bekter laughs again - this time less disbelieving, more happy. It's starting to sink in.

EXT. FAR FROM THE BODIES - YEAR 15 - MORNING

Kai finishes packing up the tent as Erik and August clean up the campfire.

Once he's finished with the tent, Kai helps Erik and August.

Beat.

ERIK
We need to go see him.

Kai stretches his back. Sighs.

KAI
I know. But-

ERIK
But nothing. We need to see him.

Beat. Kai nods.

He sighs.

KAI
We're not far.

EXT. THE STEPPE - YEAR 7 - MORNING

Kai, Bekter, Nike, and Nergui sit on their horses, half a dozen soldiers a respectful distance behind them. Everyone but Nike carries a bow and arrows.

They scan the horizon. Bekter looks out a column of smoke.

BEKTER
(in Sukhe)
There. That's them.

KAI
I see it.

Nike's still looking, so Kai points it out to her.

NERGUI
They're getting bold.

BEKTER
They've always been bold. Now
they're getting desperate.

He WHISTLES to the soldiers behind him. One of them rides towards the smoke.

BEKTER (CONT'D)
(to Kai)
You see why I can't let you hunt
your witch now?

Nergui watches Kai's response carefully. Kai notices.

KAI

There've always been bandits
nipping at us. This isn't new.

BEKTER

These are no bandits!

His horse shifts, picking up on his agitation.

NERGUI

It's her. Ever since she took
power, the other tribes have
become... less friendly.

KAI

Her? The witch?

Bekter scoffs, angry, but says nothing.

NERGUI

She rallies the steppe against us.

KAI

Bekter.

BEKTER

We outnumber them three to one, and
we have our walls. Let them crash
against us, and we'll see who
remains standing.

The RIDER Bekter sent off returns.

RIDER

Eight men, khan. Soldiers. A
scouting party.

BEKTER

Can we catch them?

The rider considers.

RIDER

The ground is hard, khan. There
will be dust, and noise.

Bekter curses in English.

He whistles, gestures to his men.

Kai holds up a hand.

KAI

Wait.

Bekter waits.

KAI (CONT'D)
We can handle this. No noise.

He hops off of his horse.

KAI (CONT'D)
(in English)
Come on, Nike.

She hasn't been following the conversation, but she gets off her horse as well.

BEKTER
You're a little far from the sea to
fight so many, aren't you?

KAI
(in Sukhe)
We'll be fine.
(in English)
Won't we, Nike?

NIKE
What?

Kai runs at incredible speed towards the smoke. Nike follows.
The soldiers marvel. Nergui smiles. Bekter just watches.

RIDER
Gokhan...

EXT. SCOUTS' CAMPSITE - YEAR 7 - DAY

Eight Sukhe soldiers sit around a fire, finishing breakfast.

Kai is suddenly standing just behind them.

KAI
(in Sukhe)
Greetings.

They all leap to their feet and face Kai, startled, but with weapons drawn and ready to fight.

Kai examines their outfits.

KAI (CONT'D)
(in Sukhe)
Clan Dorben? You're far from your
lands, aren't you?

DORBEN SOLDIER
Says the wide-eye.

KAI
That's a lot of swords. Are wide-
eyes your enemy, then?

The soldiers relax, if only a little.

DORBEN SOLDIER
How am I to know? You're the first
I've seen.

KAI
You're not the first from Clan
Dorben that I've seen.

The soldier examines him. Who the hell is this guy?

DORBEN SOLDIER
And were they your enemy?

KAI
No. But it's been a long time.

He walks around them. They relax more, lower their weapons.

KAI (CONT'D)
I have a friend who wants me to
kill you.

They raise their weapons again, but Kai is too relaxed for
them to get too nervous.

DORBEN SOLDIER
Is that so?

KAI
Bekter Khan.

They shout and yell at each other. "They spotted us!" "We
need to leave!" "Where are they?"

The soldier examines him again.

Oh, shit.

DORBEN SOLDIER
You're him. Bekter's shaman. You're
the one she warned us about.

That catches Kai's attention.

KAI
Who is "she?"

The soldiers attack, but Kai is too fast to see, much less hit. He weaves in and out, ducking their swords like they're moving through molasses.

KAI (CONT'D)
Nike!

And suddenly she's there too, sword in each hand. She's not as fast as Kai, but she's got the element of surprise, and she kills two of them before they even realize she's there.

She cuts her way next to Kai, and gives him one of the swords.

And then suddenly they're moving again, weaving around the remaining soldiers, two warriors somehow surrounding six.

Six becomes three, then one. Kai pins the last soldier to the ground, his sword pressing against the Sukhe's neck.

KAI (CONT'D)
I asked you a question.

EXT. THE STEPPE - YEAR 7 - DAY

Kai and Nike storm over to Bekter and his soldiers. Nike is concerned, scared, but angry. Kai is just furious.

BEKTER
(in Sukhe)
Kai, is-

KAI
(in Sukhe, to the others)
Leave us.

The soldiers look at each other, then to Bekter. They want to obey the Gokhan, but Bekter is still their khan.

BEKTER
Go.

The soldiers leave. Nergui lingers.

KAI
(in English)
You too, Nike.

NIKE
But Kai-

NERGUI
(in Sukhe)
Come, child.

She gestures to Nike. Nike reluctantly obeys. She mounts her horse, and they ride off with the soldiers.

As they go, they can hear Kai and Bekter yelling at each other. Nike looks back.

BEKTER
I am Khan of Khans! You will do no such thing!

KAI
I do not answer to you!

Kai mounts his horse and gallops past Nike and the others.

RIDER
What's going on?

Nobody answers.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 15 - MORNING

Kai sits on his horse in front of the now-abandoned temple, staring at where the Varangian sigil used to be. It's been blasted out of the stone, leaving a blackened hole.

August rides over next to him.

AUGUST
What is this?

KAI
My temple.

AUGUST
...Your?

Kai doesn't respond, just rides off.

Erik rides up next to her.

AUGUST (CONT'D)
He has a temple?

ERIK
You don't?

EXT. TARGUID CAPITAL SQUARE - YEAR 15 - DAY

A couple of the stone buildings have fallen, but most of them are still in perfect condition. The square itself is overgrown with grass and weeds.

Kai rides through the square, Erik and August whispering a short distance behind him.

Erik nods, and he and August stop.

ERIK

Kai.

Kai stops, looks back.

ERIK (CONT'D)

We need to talk.

KAI

I'm listening.

Erik looks at August.

AUGUST

We need to know what happened.

KAI

What happened?

AUGUST

To Nike. To you. Out here.

Kai takes a breath.

KAI

Erik. Do you remember that witch?
The... the southern one.

ERIK

With the...

He pantomimes fangs.

ERIK (CONT'D)

She sharpened her teeth?

Kai shakes his head.

Erik thinks.

ERIK (CONT'D)

You mean the one that wasn't really
a witch?

KAI

That one.

ERIK

What about her?

KAI

Who would you rather fight? Her, or
the...

He pantomimes fangs.

ERIK

Oh, the teeth. Without a doubt.

August looks back and forth at them.

KAI

Why? She was powerful. The other
one was faking everything.

ERIK

That's true. But sharp-teeth was
dangerous like an animal is
dangerous. The other one... she
knew how people worked.

KAI

So does Nike.

He gestures all around them.

KAI (CONT'D)

You see all this?

AUGUST

Of course.

KAI

It was alive when we got here. It
was abandoned when we left. We did
that. I did that.

AUGUST

What do you mean? What happened?

Kai looks at her. Beat.

EXT. KAI AND NIKE'S GER - YEAR 7 - NIGHT

Kai meditates. Nike paces.

NIKE

But why didn't he tell us it was
that bad?

KAI

Because he knew what we'd do next.

NIKE

So we're going to do it? We're just
gonna go?

KAI

No. We need his support now more
than ever.

NIKE

Then what?

KAI

I don't know.

Beat. Nike pauses.

NIKE

There is one option...

Kai opens his eyes.

NIKE (CONT'D)

We don't need his support. We need
his tribe. His soldiers.

She looks at Kai. He stares at her.

KAI

That... is a dangerous road.

NIKE

It's our only road, Kai. If what he
said is true.

KAI

Even if we wanted to... Bekter is a
great leader. I don't know if we
could-

NIKE

Kai, you're a god.

Kai knows she's right, but doesn't want her to be.

NIKE (CONT'D)

And it's not about what we want to
do. It's about what we need to do.

KAI

If I do this, I destroy my friend.
Our entire relationship.

NIKE

And if you don't?

Kai looks at her for a beat. Closes his eyes.

His voice is suddenly... heavier. Sad.

KAI

I don't know how to...

NIKE

I can teach you.

KAI

This isn't... this is the
definition of Ascension. There has
to be another way.

NIKE

You're the one who taught me that
Ascension isn't about taking power,
it's about trying to keep it. You
don't want the power. You'd rather
do anything else.

She puts her hands on his shoulders.

NIKE (CONT'D)

This isn't Ascension. This is a
good man forced into an impossible
decision.

Kai hangs his head.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 7 - DAY

Bekter storms through a crowd, furious about something.

The further he gets, the thicker the crowd. It reaches the
point where he's shoving people aside to move forward.

The crowd chatters, excited, with one word in particular
standing out:

Gokhan.

Bekter gets through the crowd to a small open space in front
of the temple. Kai hovers three feet in the air, legs
crossed, meditating.

He's not saying or doing anything else. He doesn't have to.

Nike stands next to him. She locks eyes with Bekter. Steps back, giving him access to Kai.

Bekter approaches, mindful of the watching crowd.

Kai speaks without opening his eyes.

KAI
Bekter.

BEKTER
(in English)
Tell me I am misunderstanding what
is happening.

KAI
(in Sukhe)
Nothing is happening. I am
meditating.

Bekter glares at the crowd, then back at Kai.

BEKTER
Do not lie to me, Kai.

Nike coughs, apologetic.

NIKE
(in English)
It would be wise for you to be seen
being friendly with him.

Bekter's eyes are furious, but he manages to keep himself in check. He nods to Nike. He even warms his tone of voice.

BEKTER
(to Kai)
Our friendship is over. You have
ended it.

A beat.

KAI
(in Sukhe)
I assumed.

Bekter stands for a beat, gathering himself.

He walks back to the crowd.

Kai opens his eyes. His anguish is visible.

KAI (CONT'D)
Bekter.

Bekter stops, looks back.

KAI (CONT'D)
(in English)
I'm sorry it came to this.

Bekter turns around, disappears into the crowd.

INT. BEKTER'S TENT - YEAR 7 - NIGHT

Bekter paces angrily. Nergui sits, thinking.

BEKTER
(in Sukhe)
This is unacceptable. We need to
get rid of him immediately.

NERGUI
If you banish him, you banish all
those who follow him.

BEKTER
And that number grows by the day!
The longer I wait, the worse the
problem!

NERGUI
Bekter... there is something you
must consider.

BEKTER
What?

NERGUI
I'm not saying this is the case.
But suppose you're wrong.

Bekter freezes.

NERGUI (CONT'D)
Suppose he is Gokhan.

Beat. Bekter's emotions are unreadable.

NERGUI (CONT'D)
If he were, to fight him would be a
betrayal of our oldest traditions.

Bekter's speech is careful, measured.

BEKTER
He is not Gokhan.

NERGUI
But if-

Bekter glares at Nergui, shouts at her, but there's no anger in his eyes. It's fear.

It's doubt.

BEKTER
He is a man!

Nergui nods her head in submission.

NERGUI
It is you say, my khan.

EXT. TARGUID CAPITAL SQUARE - YEAR 15 - EVENING

Kai, August, and Erik sit around a campfire.

ERIK
Storms, Kai.

Kai nods.

ERIK (CONT'D)
So that's... shit.

AUGUST
It's not your fault, Kai. You couldn't have known, and even if you had-

KAI
No. I did know. And both choices were bad, so I should've trusted my friend, rather than taking an entire people into my hands.

AUGUST
Okay, but-

ERIK
He's right, August. He made the wrong decision.

August looks at Erik. She doesn't know what to say.

ERIK (CONT'D)
But it's the same decision I
would've made, so I for one can't
judge.

He sighs.

ERIK (CONT'D)
It does cast our current journey in
a bit of a different light.

Kai looks at him.

KAI
How do you mean?

ERIK
Nike... She knows exactly what
she's doing. She's done it before,
she's done it on purpose.

AUGUST
I agree. We have to accept that we
need to kill-

ERIK
And she did it with you. That's why
you can't kill her.

Erik doesn't take his eyes off of Kai.

AUGUST
What?

ERIK
This isn't about Nike, August. Not
just her, at least. We're not just
saving her. We're redeeming Kai.

Kai nods.

Erik walks to Kai. Kai stands to face him.

Erik takes Kai's hand, clasps it in his.

ERIK (CONT'D)
We will do everything we can to
save her, Kai. And if we can't,
I'll be the one to-

A FLASH and a THUNDERCRACK. It's deafening.

Erik is lying on the ground a dozen yards away, charred and
smoking.

Nike is kneeling next to him, cradling his head. There are tears in her eyes.

NIKE

I didn't want this, Erik. I didn't want any of this.

Her eyes burn at Kai.

Kai is ready for a fight. His eyes glow with power, and fire dances from his closed fists.

Nike snarls.

KAI

It doesn't have to-

NIKE

It does. It didn't have to be like this. But it does now. Because of you.

She gets to her feet. Then rises a foot off of the ground. Lightning wreathes her body, and light streams from her eyes, her nostrils, her mouth, her fingertips.

August is terrified, but tries to gather what power she can.

Nike's voice booms like thunder as she stares daggers at Kai.

NIKE (CONT'D)

Never let anyone convince you that this is anything other than your fault.

She FLASHES towards August, who narrowly dodges out of the way even with her superhuman reflexes.

Kai has his sword out as he flashes to Nike. Nike doesn't even try to dodge, she just watches the sword EXPLODE off of her skin.

NIKE (CONT'D)

Pathetic.

She touches his chest, and a surge of lightning blows him into the air.

Kai wraps his hands around the lightning, stopping his momentum in midair. He hurls the lightning back at Nike, but with a FLASH, suddenly August is standing, confused, where Nike just was.

August gets her wits just in time to duck the lightning, but when she stands up, Nike has her hand around her throat.

Nike lifts August into the air. August kicks and struggles.

Fury fills Kai's eyes with thunder. He charges into Nike, and the ferocity of his assault catches her off-guard. She drops August as Kai slams her into a stone wall that was a dozen yards away.

Kai doesn't let up, unleashing a storm of energy-enhanced punches and kicks, each blow knocking her further into the wall.

August catches her breath.

Kai hits Nike hard enough to break through the wall, and she disappears in the building.

Kai charges in after her and out of sight.

August watches, waits for a beat.

The whole building EXPLODES IN LIGHT.

The shockwave almost blows August off of her feet.

Kai is blown through the air, hitting the ground on the other side of the square.

AUGUST

Kai!

Nike floats through the air, lightning streaming from her skin.

August yells, leaps at Nike.

Nike flings a lightning bolt at August, but August dodges it and throws a flurry of lightning bolts of her own.

Nike deflects all of August's attacks, but only just. The unending stream is pushing her back.

Kai gets to his feet.

August unleashes one, great, sustained beam of lightning at Nike. Nike throws up her hands to block it, but it takes everything she's got.

Then she gets her feet back under her. She presses back against August's assault, and starts gaining ground.

August is scared. She looks, sees Kai.

AUGUST (CONT'D)
Kai! Hit her now!

Nike sees Kai is up. Now she's scared. She knows he can end this right now.

Kai readies a lightning bolt. The wind whips around him.
He and Nike lock eyes. He sees her terror.
He can't do it. The lightning fades.

AUGUST (CONT'D)
Kai! No!

Nike reaches August, and lifts her into the air by her throat.

NIKE
(to Kai)
You should not have brought her here.

KAI
No! Nike, please! Like you said,
this is my fault, not hers! Let her go!

NIKE
You think I want to do this? That this is about revenge? This is kill or be killed! If I don't kill her, she'll kill me! And you know it, because you want to kill me, too!

KAI
I don't want to kill you!

AUGUST
(strained)
I do.

August swings her foot into Nike's face, and hits her with a THUNDERCRACK. Nike is knocked back and drops August.

Nike screams, and with a FLASH, she's gone.
August gasps for breath.
A long beat.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 7 - DAY

Kai stands on the steps of the temple, speaking to a gigantic crowd. He doesn't shout, but his voice somehow carries to the farthest extent of the crowd.

Nike stands beside him, anxious, but doing a good job of hiding it.

KAI

(in Sukhe)

I am not a violent man. But if there must be war, one must respond quickly, not hide and wait and hope evil will disappear on its own.

The crowd murmurs.

KAI (CONT'D)

Even now, the Outer Clans assemble against us. This is not their doing - not a natural event. In the years before, these people did not want war. But always, there was one who did. There is one who still does. You know her name.

The crowd hisses. "Szelanya."

KAI (CONT'D)

She uses them as a tool to fight all that is good and light in the world. She is the fire that brings no light. She is the rain that does not nourish. If she is allowed to continue in her path of chaos and destruction, the entire steppe will fall.

He pauses. He's not enjoying this.

KAI (CONT'D)

Bekter Khagan is a great man, who hungers for peace and thirsts for the safety of his people. This does not make him a weak khan, it makes him great. But it is not yet the time for a great khan. That day will come, but this... this is the time for a conqueror.

A beat. Kai knows this is the point of no return.

KAI (CONT'D)
This is the time for a Gokhan.

The crowd cheers and shouts.

Kai and Nike share an uneasy glance. This is important. This is necessary. But that does not mean it's good.

INT. BEKTER'S TENT - YEAR 7 - NIGHT

Kai and Bekter sit across from each other.

A long beat.

BEKTER
(in Sukhe)
You will let my people die fighting
your war.

KAI
(in Sukhe)
It is not my war.

BEKTER
It is not ours!

KAI
It's hers.

BEKTER
She is nothing. She is powerful,
but she is not a god. She will fall
when her people see she brings no
victory.

KAI
You don't understand her power. She
could kill a man with a gesture, a
dozen with a word. She will bring
her people victory.

BEKTER
I understand her power. You do not
understand my people.

KAI
We have had this discussion,
Bekter. We will not sway each
other.

Beat. Bekter's walls break down; he's no longer stern, just
afraid.

BEKTER
Tell me this. You speak with such
certainty, such conviction. Are you
really so certain?

Kai lowers his walls too. He's wracked with doubt.

KAI
How could I be?

BEKTER
And yet you are certain enough to
sentence my people to death?

KAI
I'm terrified that if I don't act
now, you're already dead.

EXT. TARGUID CLAN CAMP - YEAR -4 - NIGHT

The camp is still, quiet.

Beat.

Shadows move in the distance.

Beat.

Kai crawls out of one of the tents. Looks around.

Beat.

Kai shouts.

KAI
(in Sukhe)
Awake! Awake! Enemy! Awake!

He draws his sword and runs through the camp.

KAI (CONT'D)
Awake! Awake!

A dull RUMBLING slowly grows into the CLAMOR OF HOOFBEATS.

Men emerge from their tents, half-asleep but adrenaline
already pumping.

Bekter charges from his tent, sword out, already ready for
combat. He leaps onto his horse and yells.

Dozens of RIVAL CLANSMEN charge over a nearby hill, stealth
forgotten, ready for battle.

Kai tries to gather his energy, but can't. Something's wrong.

They run through the camp, their first charge felling at least a dozen of Bekter's clan.

KAI (CONT'D)

NO!

His eyes glow.

He leaps six feet into the air, tackling an enemy horseman off his horse and stabbing him in midair.

He lands in a run, sweeping under another horse and slitting its saddle straps. A quick tug on the saddle pulls the rider off of the horse and into Kai's sword.

Bekter tries to rally the clan, but everyone is already running away.

BEKTER

To me! We can beat them!

An enemy rider charges towards him, but he deftly deflects the attack and dispatches the rider.

As he falls, two more enemies charge to take his place.

He blocks the first attack, but is wide open for the second... until a spear, wreathed in the lightning, pierces through the second attacker's chest.

THAT got everyone's attention. Allies and enemies.

Kai's getting a little bit of his mojo back. His sword crackles with power, as he leaps and twists and rides around the battlefield.

BEKTER (CONT'D)

Come on, you cowards! Fight!

Bekter charges into the fray, and some of the clan follows suit.

Not that there's much "fray" left - Kai's showy demonstrations of power has the enemy spooked; they run away.

The clan CHEERS as they pursue the fleeing enemy.

EXT. TARGUID CLAN CAMP - YEAR -4 - SUNRISE

The tribe cleans up the camp - they gather the fallen, loot the enemy, and treat the wounded.

Bekter and Kai ride back into the camp with some of the other warriors, with several of the enemy's horses.

As they do, the camp cheers.

Kai and Bekter look at each other. Laugh.

SUKHE MAN
(in Sukhe)
Gokhan! He has saved us!

The camp cheers again, with several cries of "Gokhan!"

Bekter's confused. He looks around.

BEKTER
(in English)
Where is the Gokhan? It is me and
Kai who have saved you!

KAI
(in English)
What? Gokhan?

BEKTER
A myth. A...

The clan kneels as Kai rides past. Bekter notices, laughs.

He slaps Kai on the back.

BEKTER (CONT'D)
Oh! It is you! You are the Gokhan!

KAI
What? What's a Go-khan?

Bekter's laughing too hard to answer.

He gets ahold of himself.

BEKTER
(in Sukhe, to crowd)
No, no no. He's just a shaman.
Look, he's even bleeding.

Kai catches on.

KAI
(in English.)
Oh. No no no no no.
(in Sukhe)
No. Not Gokhan. No. Get up. No.

The people are confused. They don't want to listen to him.

Kai gets off of his horse and pulls the kneeling Sukhe to their feet.

KAI (CONT'D)
Stop. No. Not Gokhan. Normal man.

SUKHE WOMAN
But Gokhan! We saw your power! Your voice is thunder and your tongue is lightning!

KAI
No. Where my home is, there are many like this.

SUKHE WOMAN
Yes! With the gods!

KAI
No! Across the mountains! Solidus!
I am a Solidan.

SUKHE MAN
But we saw you, Gokhan!

Kai looks to Bekter, exasperated.

KAI
(in English)
This is... this is a nightmare.
This is, like, the definition of Ascension.

Bekter just laughs. Kai laughs too, but it's a worried laugh.

EXT. TARGUID CAPITAL SQUARE - YEAR 15 - NIGHT

Erik's body lies on a pile of wood, in the middle of a ring of stones. Kai and August kneel in front of the ring. They chant in unison.

KAI AND AUGUST
May the wind lead you
May the sea watch you
May the clouds lift you
May the sky take you
Back to your father and mother
Back to the land of your people
Back to the shores of home

They stand, and approach Erik's body. Kai kneels, and kisses Erik's lips.

KAI (CONT'D)
For the journey.

He stands, and August kneels and kisses Erik's lips.

AUGUST
For the journey.

They exit the circle of stones. Kai's eyes roll back into his head, and he yells and wails in an ecstatic trance.

His feet lift off the ground. The wind rages around him.

A fierce bolt of lightning strikes Erik's body, and it's consumed in flames.

Kai drops gently to the ground.

He and August watch Erik's body burn.

Beat.

KAI
Give me a proper funeral if I die.

AUGUST
What?

KAI
There was nothing I regretted more about Nike's death than not giving her a proper funeral. Our lives are temporary, but our deaths are forever.

August swallows. Blinks away tears.

AUGUST
If I... die...

Kai grabs her shoulders. Stares into her eyes.

KAI
I swear to you. You will not die here. I will not be the one sending you home. Do you understand me?

August looks away.

AUGUST
You can't-

KAI

I can.

August meets his gaze. Nods.

Kai looks back at the pyre.

KAI (CONT'D)

We should go. It's not right for us
to keep camp so close.

He and Nike gather their things and lead their horses away.

A long beat.

Suddenly, Nike stands at the foot of the pyre, inside the ring of stones.

She kneels before Erik's body; she's somehow untouched by the flames.

She leans into the fire, kisses Erik. Her voice is sad.

NIKE

For the journey.

She looks up, and sees Kai across the square, staring at her.

She stands, uncertain, ready to fight again.

Kai nods to her, tears in his eyes. Walks away.

Nike drops to her knees and sobs.

EXT. THE STEPPE - YEAR 15 - DAY

Kai and August ride across the steppe, leading Erik's horse.

AUGUST

What do we do now? Where are we
going?

KAI

I don't know.

AUGUST

You don't... you don't know?

KAI

Going to Bekter was my last resort.
He wasn't home - or his home has
moved.

He doesn't speak the obvious possibility - he's dead.

KAI (CONT'D)
Finding him will take months.
Nike's power grows by the day, and
we were lucky to fight her off the
last time.

AUGUST
So... we're leaving?

KAI
I don't think I can. But not only
would I not feel safe sending you
home alone, I wouldn't feel safe
here without you.

AUGUST
So we're doing what?

KAI
I don't know. Right now, we're
traveling east.

AUGUST
What's east?

Kai points.

AUGUST (CONT'D)
That's not what I meant.

Beat.

Kai stops. August stops with him.

AUGUST (CONT'D)
What?

KAI
I know where we're going.

He turns north. August follows.

AUGUST
Where?

EXT. TARGUID CAPITAL SQUARE ROOFTOP - YEAR 7 - DAY

Kai and Nike stand on the rooftop, looking down at a horde of
worshippers and followers.

NIKE

Have you ever wondered if they're right?

KAI

What?

NIKE

You said yourself, the prophecies are weirdly specific. And accurate. What if you are the Gokhan?

Kai can't help but laugh.

NIKE (CONT'D)

Look at all of those people down there. Every single one of them believes you're the Gokhan.

KAI

Because I lied to them.

NIKE

I know. I'm just saying-

KAI

It's dangerous to think that way. People can get hurt. You should know this better than anyone.

NIKE

I do. I do.

Beat.

Kai sighs.

KAI

Now for the gamble.

Kai steps to the edge of the rooftop. The crowd cheers.

Kai's voice carries unnaturally far, without shouting.

KAI (CONT'D)

(in Sukhe)

The time has come!

EXT. BEKTER'S TENT - YEAR 7 - DAY

Kai and Nike ride on horseback at the head of the massive crowd from before.

KAI
Bekter Khagan!

A pregnant beat.

Bekter emerges from his tent.

He eyes the crowd. Narrows his eyes at Kai.

BEKTER
(in Sukhe)
What is the meaning of this?

KAI
(in Sukhe)
The time has come for war, and your
people need their khan.

Bekter looks at Kai. He's surprised.

BEKTER
(in English)
I will not lead my people to their
deaths.

KAI
(in English)
Your people are going anyway. I
don't want to steal them from you
again.

Beat.

KAI (CONT'D)
Don't do it for me. Do it for them.
You know I'm not who they think I
am. You know they need a khan.

Bekter... nods.

Turns to the crowd.

He raises one fist in the air and unleashes a high-pitched
war cry.

The crowd mimics his cry. There's an energy in the air.

Bekter shouts to Kai over the clamor.

BEKTER
(in English)
If you don't die, I'll kill you for
this.

A short beat. Bekter sighs.

BEKTER (CONT'D)
But thank you.

Kai nods.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 7 - DAY

The army rides out into the steppe. Kai and Nike ride next to each other.

Nike stops. Looks at Kai.

NIKE
Master.

Kai stops.

NIKE (CONT'D)
I don't...

Beat.

KAI
You don't have to come.

NIKE
If you need me, I'll-

KAI
If we didn't have the army, I would need you. Even if we did have the army, if we didn't have Bekter, I still might.

Nike looks at the ground. Kai puts a hand on her shoulder.

KAI (CONT'D)
This is not a weakness, Nike. This is a strength. Not two years ago, you would've let yourself charge into a situation you knew would be too much for you.

NIKE
It feels like a weakness.

KAI
Suppose you did come, and suppose she could corrupt you. With your power and training?
(MORE)

KAI (CONT'D)
I'd have no choice but to kill you
if I even thought you were
Ascending. No, this is the right
choice.

He shrugs.

KAI (CONT'D)
Besides. Suppose we fail. You'll be
the last line of defense the clan
has.

EXT. THE STEPPE - YEAR -4 - DAY

Kai and Bekter fight in a vicious battle.

EXT. TARGUID CLAN CAMP - YEAR -4 - DAY

Kai and Bekter lead their men back into the camp, which has
grown significantly.

They're greeted by a small crowd of worshippers.

One of the WARRIORS they lead shouts cheerfully.

WARRIOR
(in Sukhe)
Kai Gokhan has again led us to
victory!

Kai looks at Bekter. Bekter isn't amused anymore.

BEKTER
(in Sukhe)
Enough of this!

He hops off of his horse. Grabs one worshipper wearing ornate
robes - a self-styled PRIEST.

BEKTER (CONT'D)
Why do you call him Gokhan and
disrespect your Khan?

PRIEST
Because he is Gokhan! His coming
was foretold!

BEKTER
The Gokhan will lead the entire
steppe, not just one tribe.

PRIEST

But he will grow out of the West,
in a tribe both with and without a
khan. And you, khan, were absent
for many years, making us-

BEKTER

I understand. But the Gokhan will
be heralded by... oh, that's me
too, isn't it?

The priest nods.

BEKTER (CONT'D)

Aha! But the Gokhan will have the
Mark of Liong.

The priest is worried.

PRIEST

He does not?

BEKTER

(to Kai)

Do you have the Mark of Liong?

KAI

(in English)

The what?

BEKTER

(in English)

The Mark of Liong.

KAI

I don't even know what that is.

BEKTER

(in Sukhe, to priest)

He doesn't even know what it is.

PRIEST

(to Kai)

The holy mark! The Clouded Eye!

He draws a simple sigil of an eye in the dirt.

Kai gets off his horse to examine it.

Kai's face falls.

KAI

Bekter.

He gestures. Bekter approaches.

BEKTER
(quiet, in English)
Don't tell me.

KAI
(in English)
I have a scar.

BEKTER
What could give you a scar like
that?!

The priest isn't quite sure what they're talking about, but he's getting the idea it's favorable to him.

KAI
It was an arrow, and it scarred
oddly because you yanked it out of
me and yelled something like, "You
heal fast, don't be a child."

Bekter grimaces.

PRIEST
He has the mark?

Kai sighs. Looks at Bekter.

Bekter throws his hands up.

BEKTER
(in Sukhe)
Bring me the holy books! I want to
read these prophecies.

He storms off.

EXT. THE DARK PLAINS - YEAR 15 - DAY

The land is rocky, craggy, unwelcoming. You don't have to look too hard to see dessicated human bones.

Kai and August walk through the plains. It's an emotional experience for Kai.

AUGUST
Are you okay?

Kai doesn't respond.

August sees a complete skeleton, still armed with the sword it carried in life.

AUGUST (CONT'D)
What happened here?

She looks at Kai.

KAI
Nothing. That was the problem.

Kai looks at the skeleton.

EXT. THE DARK PLAINS - YEAR 7 - DAY

The skeleton is here still a corpse, freshly slain.

Battle rages around it; Bekter's army versus a massive horde of barbaric warriors.

Bekter charges his horse past a barbarian, cleaving the warrior's head from his shoulders.

He smiles. He may not have wanted this fight, but it does feel good to finally take the battle to their enemies.

He surveys the battlefield, sees Kai dispatch three men at once. Kai doesn't look as happy.

He rides over to Kai.

BEKTER
(in English)
They're even more disorganized than I thought! Perhaps you were right all along!

Kai shakes his head.

KAI
This is wrong.

BEKTER
Wrong? This was your idea! I tried to tell you-

KAI
I don't mean ethically. I mean... look at this.

Bekter's forces are clearly superior. The battle could not be going better.

KAI (CONT'D)
They're hardly putting up a fight.

Bekter looks at the fight with new eyes. Kai's right.

KAI (CONT'D)
And where's the witch? Where's
Szelanya? I didn't expect her to
lead the charge, but for the battle
to go on so long without her...

Kai and Bekter look at each other. They have the same realization at the same time.

BEKTER
(in Sukhe)
Fall back! Retreat!

KAI
(in Sukhe)
We have to leave! Stop! Pull back!

They try to get their men to retreat, but they're lost in their victory.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 7 - DAY

The sky is dark with stormclouds.

Nike and Nergui stand on the city's walls, staring out at the barbaric horde arranged outside the city. Already, the buildings outside the walls are burning.

At the head of the horde, staring at Nike, is SZELANYA. Her white hair is wispy, missing in odd clumps. Her skin is covered in self-inflicted ritual scars. Her only clothing is a bone-covered mantle that stretches far enough to drag along the ground. Her eyes glow violet, and violet light streams from between her rotted teeth. However, despite her ruined appearance, she looks young - she can't be out of her twenties.

Nike's terrified, but carries herself well.

Nergui hides her fear behind fury.

Szelanya is filled with rapturous bloodlust.

EXT. THE DARK PLAINS - YEAR 15 - EVENING

Sukhe camps fill the plains. The Sukhe here are a hard people, toughened by years of war and conflict.

Kai and year 7 Nike ride through the camps.

KAI
What is this? Why are they here?

Nike speaks with August's voice.

NIKE/AUGUST
Why? What is this place?

Kai's startled. He looks at Nike. No, she's August. August.
He shakes his head.

AUGUST (CONT'D)
Are you okay?

KAI
No.

The Sukhe glare at the two outsiders. They're not happy to see outsiders, but it's not that they're angry - they're...

Scared?

AUGUST
What is this?

KAI
This is Nike's tribe.

As he speaks her name, whispers slide through the crowd.

"Nike."

"Gokhan."

EXT. THE DARK PLAINS, TARGUID CAMP - YEAR 15 - CONTINUOUS

KAI
Oh, no.

The tents here are marked with the sigils of Bekter's clan.
Kai dismounts, runs over to some of the Sukhe.

AUGUST
Kai?

KAI
(in Sukhe)
Is he here? Where is Bekter?

The Sukhe's faces light up.

SUKHE MAN
Gokhan. Gokhan!

KAI
Where is Bekter?!

NERGUI
(in Sukhe)
He's dead.

Nergui stands outside a tent, just as angry as the last time we saw her.

INT. NERGUI'S TENT - YEAR 15 - NIGHT

The tent is barely big enough to qualify as "humble." Kai, August, and Nergui sit around a small fire.

NERGUI
(in Sukhe)
You're lucky. When she's on the mountain, she's lost to the world. You have a day, maybe two before she knows about this. It might be enough time for you to run.

KAI
(in Sukhe)
We're not running.

NERGUI
I thought that was your way.

Beat. Kai can't look her in the eyes.

NERGUI (CONT'D)
If you fight her, you will fail.

KAI
I know.

Beat. Nergui considers.

NERGUI
I suppose a good death is better than a bad life.

AUGUST
(in English)
What is she saying?

KAI
(in English)
She...

He considers lying. Decides against it.

KAI (CONT'D)
She's saying we'll die.

AUGUST
She doesn't know what we can do.

KAI
She knows.

AUGUST
But-

NERGUI
(in English)
True. Death is true. Death is
certain. Know I.
(in Sukhe)
Maybe she'll have pity on the girl
- she often spares children.

KAI
(in Sukhe)
So she's not completely gone.

Nergui restrains herself, but can't restrain her tears.

NERGUI
What do you mean?

KAI
She's not... she hasn't ascended.
She can still be saved.

NERGUI
Saved from what?

Kai gives her a look.

KAI
From... from...

NERGUI
The Gokhan does not need to be
saved. She is the savior.

Kai gasps. August is agitated.

AUGUST
What? What?!

KAI
Nike is... Gokhan?
(in English, to August)
She's saying Nike is the Gokhan.

AUGUST
I thought you were the Gokhan?

NERGUI
You left the steppe in chaos. She
united us. She saved us. Our life
here is hard, but it is life.
Bekter died protecting her. She is
Gokhan.

Nergui looks down on Kai; "She is Gokhan, and you aren't."

The news about Bekter's death hits Kai.

He takes a beat. Recovers.

KAI
(in Sukhe)
I saw many tribes here. Who are you
warring against?

NERGUI
There is no one left to war
against. All have fallen before us.

KAI
(in Sukhe)
This is everyone? All of the Sukhe?

Nergui looks proud.

Kai is floored. He turns to August.

KAI (CONT'D)
(in English)
This is everyone. This every Sukhe
left on the steppe.

AUGUST
What?

KAI
They killed all the others.

AUGUST
Kai, this isn't... that's crazy.

KAI
(in Sukhe)

Nergui, you don't understand the danger you're in. Nike is a hair's breadth from Ascension, if she hasn't Ascended already. She-

NERGUI

She saved us. We owe her everything we have.

KAI

There's nothing out here. What do you have?

NERGUI

Peace.

Beat. Kai looks at Nergui.

EXT. TARGUID CAPITAL SQUARE - YEAR 7 - DAY

The capital is a battleground. All of the true warriors left with Kai and Bekter, leaving mostly children and the elderly to fight off Szelanya's hordes.

They aren't doing well.

Lightning streaks across the sky, and Nike leaps into the fray. She cuts down a few barbarians, but it's clear they're not what she's really looking for.

She looks around. Leaps back out of the fight, hovering in the air. Her eyes glow with power.

In the distance, a burst of violet flames. She glides towards it.

EXT. TARGUID CAPITAL OUTSKIRTS - YEAR 7 - CONTINUOUS

Szelanya singlehandedly cuts down a dozen Targuid clanmembers, teleporting around the fight in bursts of flame. Most of them she kills with her sword, but a couple she ignites with her flames.

Nike slams into her, but just as Nike impacts, Szelanya explodes into flames and reappears nearby.

Nike throws a lightning bolt at Szelanya, but she teleports behind Nike and slashes her back.

Nike screams, leaps away, but Szelanya is behind her again. This time Nike ducks the attack and fires bolt of lightning at her, but Szelanya is already gone.

Nike drops to one knee, gasps in pain. She closes her eyes, tries to focus... the wound on her back glows for a moment, and when it stops it's a little smaller than it was before.

She tries again, but the effort is too much; this will have to do for now.

She leaps into the air again.

EXT. THE DARK PLAINS - YEAR 7 - DAY

Kai is freaking out at Bekter.

KAI
(in English)
They're alone back there, they're
helpless!

BEKTER
(in Sukhe)
Do not lecture me about this! This
was not my choice!

KAI
We need to get the soldiers to
retreat!

Kai has pity. Puts a hand on Kai's shoulder.

BEKTER
You must accept, Kai. They are
alive or they are dead, but it is
over already. It is out of our
hands.

KAI
No. No!

His eyes glow.

BEKTER
What are you doing?

KAI
It's not over.

A THUNDERCLAP, and Kai is already half a mile away, skimming the surface of the ground at lightning speed.

EXT. TARGUID CAPITAL SQUARE ROOFTOP - YEAR 7 - DAY

Nike surveys the battle from the rooftops. Whether or not she can defeat Szelanya, it's clear the city is already lost.

NIKE

No... no.

A burst of flame. Szelanya puts a hand on her shoulder.

She speaks with a dozen voices at once, but it's all the same - like one person speaking at a dozen different ages in a dozen different languages.

SZELANYA

There's nothing you can do now.
Accept defeat.

Nike's eyes crackle, and her lightning dances from her fist.

She spins around, throws a punch at Szelanya, but stops suddenly.

She looks down. There's a sword through her stomach.

She grimaces. Forces herself to stay standing.

Forces herself to glare at Szelanya.

NIKE

When my master returns-

SZELANYA

Your master is already dead.

She puts a hand on Nike's shoulder... and rips the sword out.

Nike blanches, but stays standing.

SZELANYA (CONT'D)

He begged me to spare you, so I promised I would.

Blood pours from Nike's wound. It's all she can do not to collapse.

SZELANYA (CONT'D)

I lied.

She leans in close, whispers into Nike's ear.

SZELANYA (CONT'D)

Accept defeat.

Nike manages to shake her head.

Szelanya scowls, recoils. It's clear this is important to her for some reason.

SZELANYA (CONT'D)
You have no hope. There is no chance of survival, much less victory. Accept defeat.

Nike's voice is a raspy whisper.

NIKE
Kai... forgive...

She drops to her knees.

Szelanya's fury grows. She grabs Nike by the neck and lifts her back into a standing position.

SZELANYA
Say it! Accept defeat!

Nike closes her eyes. Takes a deep breath.

Nike EXPLODES INTO LIGHT. She rises a foot off the ground, three feet, ten. Light dances off her, pours from her wounds as they seal themselves up.

The clouds above her dance and twist.

She glows with the light of the sun. She speaks with the voice of thunder.

NIKE
You have failed. Accept defeat.

Szelanya screams, hisses, yells.

The sky darkens, and the ground rumbles.

Szelanya ERUPTS INTO FLAME, and charges into Nike.

Their fight is catastrophic. They twist through the city, soar through the sky, rocket back to earth.

EXT. FAR FROM THE CITY - YEAR 7 - DAY

Kai pauses in his run. He still can't see the city, but he sees the clouds, the clashing lights streaking through the sky.

He charges forward again.

EXT. TARGUID CAPITAL SQUARE - YEAR 7 - DAY

A small explosion as Szelanya slams Nike to the ground hard enough to leave a small crater.

Nike's light doesn't fade completely, but it does dim.

Szelanya, still wreathed in violet flames, kicks Nike across the square - and with a flash of flames, is standing over her again.

SZELANYA

The city has fallen. Even if you killed me, you would still have lost.

She blasts Nike with flames. Nike screams.

SZELANYA (CONT'D)

Accept defeat!

Nike glares at her.

NIKE

You are-

More flames. Nike screams again.

Szelanya is furious. She howls at Nike as she continues scorching her.

SZELANYA

ACCEPT DEFEAT!

Nike screams, and in a FLASH OF LIGHT...

Disappears.

Szelanya looks where she was. Looks around.

Her flames go out; she's furious, but she's also confused.

A THUNDERCLAP as KAI appears next to her.

He throws a few lightning bolts at her, which she deftly dodges.

KAI

(in Sukhe)

Where is she?

Szelanya stares at him, angry, confused... then gives him a sly smile.

SZELANYA
 (in English)
 I killed her. You'll find what's
 left of her coating my feet.

Kai stares at her, her words taking a beat to sink in.

SZELANYA (CONT'D)
 She begged me to spare you. I told
 her I would.

She erupts into flame again.

The fury starts to hit Kai.

SZELANYA (CONT'D)
 I lied.

EXT. FOOT OF THE HOLY MOUNTAIN - YEAR 15 - EVENING

Kai and August stand behind Nergui. They look up at a relatively small but extremely steep mountain. Clouds swirl around the mountain's peak.

All around them Sukhe stare in wonder and fear.

NERGUI
 (in Sukhe)
 There.

Kai sighs.

KAI
 (in English)
 So be it.

He and August step towards the mountain. Nergui stops them.

NERGUI
 No! You can't interfere with her
 meditations.

KAI
 (in English)
 I'm going to do a lot more than
 that.
 (in Sukhe)
 This is necessary, Nergui. She is
 killing you.

NERGUI
 What is necessary? You intend to
 fight her?

She laughs. Kai doesn't.

KAI
If I have to.

Nergui is shocked despite herself.

NERGUI
Kai. You were a great friend of
Bekter's. He would not want-

KAI
Bekter is dead.

He looks towards the mountain.

Beat. Nergui softens.

NERGUI
Even if she is killing us, it's not
your fault. Everything that has
happened-

KAI
Has happened because of my
training, and my decisions. It
might not be my fault, but Nike is
my responsibility.

Nergui stares at him.

NERGUI
I... I understand. But we still
cannot allow you to continue.

She gestures to the crowd. Weapons appear as the crowd shifts to get between Kai and the mountain.

Kai turns to August.

KAI
(in English)
I can't... I can't ask you to-

AUGUST
I'll hold them off. You do what you
have to do.

KAI
There are thousands of them. You
can't possibly-

AUGUST

No. But I can give you the time you
need.

She looks at the crowd. She knows she's going to die here.

...

She's okay with that.

AUGUST (CONT'D)

I didn't come this far just to turn
back now.

KAI

I know that, it's just...

Beat. Kai's eyes well up.

KAI (CONT'D)

If something happens... if you were
to fall, too...

August puts her hands on Kai's shoulders. Presses her
forehead to his forehead.

AUGUST

My breath is yours.

Kai chokes back a sob.

AUGUST (CONT'D)

My breath is yours, Kai.

Kai calms down.

KAI

My breath is yours.

They separate. Kai regains his composure.

There's so much they both need to say.

Too much. Not enough time for any of it.

Kai steps towards the mountain. A murmur shoots through the
crowd.

Kai looks at Nergui.

KAI (CONT'D)

(in Sukhe)

I forgive you.

NERGUI
Tell Bekter he's missed.

She turns to the crowd. Shouts to them in Sukhe as Kai proceeds to the mountain.

They try to stop him, but August glows with lightning as she steps between him and the crowd.

EXT. MOUNTAIN LAKE - YEAR 15 - EVENING

A serene lake in a mountain basin, surrounded by trees. Dark fog covers everything, obscuring the far shore. A simple white robe lies on the near shore.

A figure hovers over the surface of the water. The fog expands and contracts with the breathing of the figure; the water, too, pulls away from shore and then rushes back out.

Kai emerges from the trees. His presence sends ripples through the fog and water.

The breathing stops.

Beat.

The figure inhales the fog, taking it all into herself - it's Nike, naked.

She turns to look at Kai. Nods to him.

He nods back.

She walks to the shore, puts on her robe.

NIKE
They wouldn't let you up here
willingly.

KAI
August...

He's at peace with it for the moment, but he still can't say it.

Nike understands.

NIKE
I'm sorry.

KAI
Me too. For everything.

NIKE

You don't even know everything.

KAI

So tell me.

Nike shakes her head.

NIKE

It's too late for that now. There's only one way this ends.

KAI

You're wrong.

NIKE

Ever the optimist.

KAI

She told me you were dead. I looked for you for weeks, but...

NIKE

You have committed many sins. Leaving me behind was not one of them.

KAI

I'm not so certain. But thank you.

She nods to him.

KAI (CONT'D)

So how does this work? I'm not going to throw the first punch.

NIKE

Your presence here is the first punch. This is holy ground.

KAI

Holy to who?

NIKE

You can't feel it? It is holy to no one - and everyone. It is holy because it is. There is a power here to rival that of the Pure White Sea.

Kai closes his eyes. Breathes deep.

He feels it. It's shocking.

KAI

This is... by all the gods, Nike.
This is what she had. This is why
witches here are so powerful.

Nike nods.

KAI (CONT'D)

If you'd come back... if you'd told
us...

NIKE

You could've expanded here? All
four of you?

Kai nods. She's right.

KAI

I guess not.

Beat.

NIKE

I don't want to kill you, Kai. If
you would just leave...

KAI

I can't do that any more than you
can give up the power you've taken.

Nike finally realizes he's right.

NIKE

I... I have Ascended. You're right.
But how could I not?! I was all
alone!

KAI

I came as soon as I knew you were
alive!

NIKE

No, Kai! Before that! You and
Bekter took the entire army with
you, and then...

She cries, but there's a powerful anger behind the tears.

KAI

Nike...

NIKE

What was I supposed to do? You would rather I'd just let her kill me?!

KAI

No! Never, Nike! This isn't... you were in an impossible situation. This isn't your fault.

NIKE

You know that's not true. It was my choice! It's always our choice! You would've let her kill you. Deny it!

KAI

I... I would've. You're right.

NIKE

You're the only one fit to judge me. I can't even judge myself. Only you. And you know I choose wrong. And now you want to kill me for it.

KAI

I don't want to kill you.

NIKE

But you will.

Kai hesitates... but nods.

KAI

If I have to.

NIKE

YOU HAVE TO!

She charges him.

It's not just her eyes and mouth; Nike's skin glows like a sun. Her entire body is on fire, the flames tinged with violet. Here, at the source of her power, she's overwhelming.

Kai can't stop her. He can barely slow her down. Fighting back is so impossible as to be a joke.

So he runs. He bounces between the trees, leaps over the surface of the lake. Nike is always right behind him, but it's better than her being on top of him.

As he leaps over the lake again, Nike is suddenly above him; she blasts him down into the water.

BENEATH THE WATER - CONTINUOUS

The impact knocks Kai unconscious, and the current pulls him ever deeper.

He hits the bottom of the lake.

Beat.

He inhales.

His eyes open.

EXT. MOUNTAIN LAKE - YEAR 15 - EVENING

Nike hovers over the water, watching. She's anxious, afraid.

The water EXPLODES.

Kai soars out of the water. Unlike Nike, he controls his power - light streams from his eyes and mouth, but that's it.

He smashes into Nike, who flies back and hits the shore hard, but on her feet.

The impact knocks Kai back to the opposite shore, where he lands gently.

Nike charges again. This time, Kai doesn't run. He dodges her attacks and strikes back. The blow barely fazes her, but at least his connected.

Nike continues her attack, throwing everything she has into each attack, Kai narrowly avoiding each one, and following with tiny attacks that don't do much, but cumulatively, start to have an effect.

All Nike needs is one hit, though, and when she finally lands it she hits Kai into a tree so hard the tree shatters into splinters.

Nike takes advantage of the moment to gather her power. The fog returns, rushing like a whirlpool all around them. She glows ever brighter.

NIKE

It's over, Kai. Let it end.

Kai gets to his feet, but it's clear the blow broke him. He struggles to stand, wheezes. Blood streams from the numerous places where the wood speared him.

He draws his sword.

NIKE (CONT'D)
Have it your way.

She charges at Kai.

Kai raises the sword.

Thrusts it through his own belly.

Nike stops, surprised, just in front of him.

Before she can react, he grabs her shoulders, holds on with all of his power and strength.

KAI
Let me have it, Nike.

Nike tries to pull back, but Kai holds on tight.

KAI (CONT'D)
Give it to me, Nike. Give me everything.

NIKE
This isn't... what are you-

KAI
Not just the power. I want it all.
All of your guilt. All your mistakes.

NIKE
You can't... no, you can't!

KAI
I can't take it, but you can give it to me.

Kai presses his forehead to hers.

KAI (CONT'D)
You don't have to carry this anymore.

Nike is overwhelmed. A small thread of light flows from her nostrils to his.

KAI (CONT'D)
It isn't your fault, Nike. Not anymore.

Nike hyperventilates. The light pulses.

KAI (CONT'D)
Let me have everything.

Nike breaks down. Gives him everything.

Light flows like a river from her breath to his. The fog all around them surges into him. The light in her skin fades away as he glows all the brighter.

Finally, she has nothing left. She collapses in tears.

He remains standing only a second longer, then falls back himself.

He wheezes his last breaths.

Nike can barely speak through the sobs.

NIKE
I'm sorry. I'm so sorry.

KAI
There's nothing left to be sorry about.

He breathes out one last time.

The light fades.

Nike crawls to him. Buries her face in his chest. Weeps.

A long beat.

She stills.

She looks up. Her eyes are determined.

EXT. FOOT OF THE HOLY MOUNTAIN - YEAR 15 - NIGHT

August, battered and wounded, still somehow remains standing.

The crowd around her is nervous - they know they can beat her, but they also know she's not done yet.

NIKE (O.S.)
STOP!

Nike's voice sounds different - weaker, somehow. She's not a god, not anymore.

She leaps from the mountain, lands next to August.

August tries to stand off against her, but she can't stop Nike from coming up beside her and supporting her.

Nike breathes on her wounds, and they close up, just a little.

Nergui shoves her way through the crowd. Nobody knows what's going on, or what to do.

NERGUI
(in Sukhe)
Gokhan! What is-

NIKE
(to August)
Are you okay?

AUGUST
Where... is he?

Beat.

NIKE
He's... dead.

AUGUST
You...?

Nike shakes her head.

NIKE
No. Yes. He...

She cries again. August is surprised. Everyone is surprised.

Nergui drops to her knees - not in worship, in loss. Her god is dead.

The crowd murmurs.

August comforts Nike. Cries too.

ERLING (O.S.)
This is not a decision to be made
lightly. Before you lie two paths,
two futures, neither of which
intersects with the other.

EXT. BEACH - YEAR 0 - DAY

The aftermath of a violent battle. A young Nike, no older than 14, is bound and on her knees.

Nearby, Erling counsels Kai.

ERLING

On one path, your life continues,
much as it did before today, except
that you'll always know that it
could have been different. If
you're wise, you'll learn to give
up asking "what-if," but the
question won't disappear just
because you stop asking it.

He looks at Nike.

ERLING (CONT'D)

The other path... better or worse,
it will be harder. Sparing a life
is always a mercy, but can be cruel
in its own way. And not only to the
girl; you must understand, to spare
her life could very mean giving up
yours.

KAI

I understand-

Erling looks back at him.

ERLING

Suppose you're wrong about her.
Suppose she goes on to hurt more
people. Suppose she goes on to hurt
herself. Hell, even if she doesn't,
the girl will still be your
responsibility. And ours is not a
safe life.

Kai considers.

ERLING (CONT'D)

So before you make your decision,
ask yourself: would you take this
girl's mistakes as your own? Would
you dedicate your life to her? And,
if necessary, would you die for
her?

Kai looks at Nike. Nike looks at him.

He knows the answer.

CUT TO BLACK

THE END
